## Beliefs: And the World They Have Created

---

By Jamie Cawley

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, Beliefs: And the World They Have Created, Jamie Cawley, An accessible, objective understanding of what the major 'beliefs' are about. The major beliefs include: Polytheism, Judaism, Daoism, Buddhism, Confucianism, Christianity, Islam, Nationalism, Communism and Environmentalism. All have over 100 million followers and the full structure of faith-determined behavioural guidance. On every page of Beliefs, there is a quotable fact. Did you know that Socrates couldn't read or write, or that Confucius did not believe in God or Gods? That the term 'Capitalism' was invented by Communists, and that according to the original Bible Hebrew, many Gods made the world? There is a rich tapestry of informative and entertaining information, from naming the first person to envisage God as we do now, to the fact that writing began as a legal and accounting tool, 2,000 years before it was used to tell stories. Whether you want to know more about just one belief or about all of them, Beliefs presents ideologies and religions together, showing their links and answering frequently asked questions like: What is it that drives some believers to act in whatever way? What do religions say about homosexuality? Why did...
