

## Angels 101

---

By Doreen Virtue

Hay House Inc. Paperback. Book Condition: new. BRAND NEW, Angels 101, Doreen Virtue, 'Do you have a book about angels for someone who's a complete beginner?' Doreen Virtue frequently heard this question at her workshops, so she usually directed audience members to her book Healing with the Angels. Yet she realised that even that work is a bit advanced for newcomers. One morning when she clearly saw and heard the title Angels 101, Doreen knew that the angels wanted her to write a basic primer on the subject of these celestial beings. So, the book you hold in your hands is the result of that angelic directive: a nondenominational overview of who the angels are; their role in various spiritual texts and religions; the ways that angels help us and how to call upon them; information on guardian angels and archangels; and frequently asked questions about the angels. No matter where you are on a spiritual or religious path, this book is sure to deepen your understanding and love of the angels - and it makes the perfect gift for someone new to these concepts!.
