A SAFE VIEW OF SPIRITISM FOR CATHOLICS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Safe View of Spiritism for Catholics The timeliness of this little pamphlet is due to the fact that Spiritism is of late displaying an increased activity, a menace to the religion, mental sanity, and moral character of Christian believers. Its title shows that the appeal is chiefly directed to Catholics; but we feel inclined to think that non-Catholics also may read it with profit. The Imprimatur kindly granted by the Church Authority of this Archdiocese affords to the readers a sure guarantee of the soundness of the views expressed in its pages. To facilitate its diffusion among our people, a generous Catholic Lady of San Jose has kindly volunteered to defray the expenses of its publication; hence it is intended to be distributed free. Should this small brochure prove beneficial, as we earnestly hope, to those that will peruse it, the author will deem himself to be thus amply compensated for the labor spent in writing it.
