Taylor Francis Ltd, United Kingdom, 2015. Paperback. Book Condition: New. Reprint. 246 x 174 mm. Language: English . Brand New Book. The Handbook of China's Governance and Domestic Politics looks at how China is governed, how its domestic political system functions and the critical issues that it currently faces. Governed by the world's largest political party in the world's longest-ruling Communist regime, China is undergoing a transitional period of rapid economic and social development. * Part 1: Organizational principles, including contributions on the CCP and one-party state, state power and governance structures, and the role of the People's Liberation Army. * Part 2: Policy areas, including economics, justice, public health and social policy, education and culture, internal security, and defence and foreign affairs. * Part 3: Political processes, with contributions on representation, participation, opposition, centre-local relations and nationalism. * Part 4: Contemporary issues, including social change and inequality, corruption, human rights, environmental degradation, social unrest, separatism, resource shortages, media and the internet, and globalization and individualism. This book covers these issues and will help readers to fully comprehend China...
