Paperback. 84 pages. Dimensions: 8.0in. x 5.2in. x 0.2in. In 2010, US News and World Report named technical writing one of the 50 Best Careers in the world. Want a new (or better) career as a technical writer, but aren't sure where to begin? How to Get Started as a Technical Writer is a practical, personal, no-nonsense guide to preparing for and launching your career in technical writing. You won't find a lot of fluff or detailed instructions on how to write. Instead, you'll get over 80 pages of concise, real-world information on what it really takes to break into the field. Take advantage of the author's 20 years of industry experience to get answers to questions like: What is a technical writer? What does a typical day look like? What are the must-have skills for a technical writer? Should I get more education? And, of course: How do I get experience and land my first job? How to Get Started as a Technical Writer also includes an extensive list of useful Internet resources and a glossary of up-to-date technical writing terms. This item ships from...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
