Curriculum Vitae, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****. Curriculum Vitae is a hyper-realistic character study of Ian Sloan, a forty-four-year-old high school English and journalism teacher. A fractured personal life and mundane occupation serves as the big yellow bus that carries the reader into his world. The setting is Anesthesia-an upper middle class, Los Angeles suburb, during Reagan s 1980s. One of Ian s idealistic journalism students is on the warpath to expose controversy with the district superintendent, which could cause political disaster. Ian s ex-wife, now married to a successful tax attorney, suspects their son s recent behavior is drug-induced. His father s health is deteriorating. And to top it off, a local single mom has ensnared him in an involuntary romance. But Ian s existence runs much deeper than his daily schedule and annoyances. Author A. B. Boyd digs deep into his character s emotional life-revealing a desire for reconciliation with his dying father, coupled with an on-and-off relationship with his own son. Curriculum Vitae will leave the reader in a state of self-examination, realizing that suicide bridge is just a bridge, and a job is just a job-but relationships and being needed is the stuff that life is made of.
