It sits as a committee of advice to the Crown, and its jurisdiction is founded solely on the royal prerogative. From the beginning of our national existence the King has been accustomed to act with the advice of the magnates or great men of the realm, and at an early period exercised legislative, executive, and judicial authority, especially of an appellate character, from the shire and hundred courts. I have been unable to ascertain when appeals to the Privy Council were first instituted, but there is no doubt that from the earliest times petitions for justice were presented to the King in Council, especially when the courts were liable to be intimidated by an influential suitor, it being an ancient rule of our Constitution that the subject who failed to obtain justice in the ordinary courts might in all cases petition to the King to exercise his royal prerogative in his behalf. As the Empire increased, this right has been gradually extended to all the King s subjects. Those residing in the United Kingdom have apparently found the custom of presenting their petitions to the King in Parliament the most convenient, and this practice is now confirmed by statute, the House of Lords being the court of last resort for the United Kingdom....
