Not illustrated. 1921 Excerpt: .has, as a rule, been officially transmitted, but this author has none of the fetters of officialdom. He re-draws the lineaments of the traditional picture, that he may bring it nearer to what he judges the unvarnished truth, making it here and there just a little different, and--though each alteration taken by itself may be slight--the total effect is profoundly transformed. A turn has been given to the kaleidoscope, and the pattern rearranges itself, so that we seem to be looking at a different scene. We wonder what has been taken out, and what has been added, though sometimes the only change is in perspective. As Rabindranath Tagore says about Memory painting pictures upon a canvas, it makes many a big thing small and many a small thing big. This somewhat arbitrary picking and choosing was beyond reproach in those short studies which Mr. Strachey collected in his earlier book, for these were avowedly essays. It is more open to objection when he gives us what looks like a systematic biography. But even here we are very much his debtors. We have one man's view of Queen Victoria and of some chief advisers of her long reign, a view based on thorough investigation, and developed with remarkable power in the sifting of documents. The lucidity with which the whole is presented, the clear-cut personalities of Queen, Prince, and Ministers, which seem to look out upon us from the page in unforgettable sharpness of outline; the...
