Tornadoes. Hurricanes. No matter where you live, you are in a natural disaster prone area. There are natural disasters on an almost daily basis all around the world. Not to mention man-made disasters. There are threats of wars, terrorist attacks and jokes about zombies taking over. The world economy is crumbling and if the disaster of Hurricane Katrina taught us anything, its that we cant really depend on the government to help us. If you are interested in learning how to protect your family from any and all of the inevitable disasters that could potentially happen, this book is your first step to learning how to help your children prepare for any emergency situation. In Prepping with Children, youll learn such important things as: - How to Explain the Why and How of prepping to your children. - Which survival skills are most important for children to learn. - How to build a Bug Out Bag specifically for children. - How...
