Ol Shakey: Memories of a Flight Engineer

By Byron Gene Fish

Outskirts Press, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Master Sergeant Dick Lunders slouched behind the flight engineer's panel, monitoring the airplane's condition, occasionally writing down one of the systems readings on his flight log. It looked like minimum crew rest at Mactan, then to Bangkok -- by way of Saigon and the combat zone. Suddenly without warning the number two propeller RPM surged, then settled back to a steady drone. Aw, come on, Sergeant Lunders growled at the offending propeller. You a tryin to make me work? The Aircraft Commander, Major James Brown, sat up straight in his seat and looked back at his flight engineer. Problems? he asked Not sure, yet. Number two surged a little s all, Sergeant Lunders replied as he, too, came to full alert, carefully staring at each of the 67 instruments on the massive flight engineer's panel. He paid special attention to the 13 indicators telling of the health of number two engine. To assure himself that everything was as it should be, the gray-haired sergeant moved the propeller levers into manual control. Everything was holding...
