BiblioGov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 26 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. The CH-53E helicopter is being developed to provide the Navy and the Marine Corps with a shipboard helicopter with greatly increased lift capability. It was intended to be a modified version of the CH-53D model; however, it now more closely resembles a new aircraft because of improvements incorporated during the development stage. The Navy expected to complete engineering development in November...
