## THE ISAIAH 9:10 JUDGMENT: IS THERE AN ANCIENT MYSTERY THAT FORETELLS AMERICA S FUTURE?

Wnd Films, United States, 2012. DVD video. Book Condition: New. 190 x 135 mm. Language: English . Brand New Book. An obscure passage in the Book of Isaiah describing the fall of ancient Israel has, since September 11, 2001, been eerily re-enacted in the United States exactly as it originally occurred in the time of the great prophet of Israel leading to the nation s demise. In The Isaiah 9:10 Judgment, Jonathan Cahn, author of The Harbinger, explains the principles of the Shemitah laying the groundwork for his latest bestseller that is taking the world by storm. It was Cahn s initial exploration of the biblical cycles of the Shemitah as laid out in the movie that led to his investigation that shows how the Sabbath year affected not only the 9/11 disaster and the economic crashes of 2001 and 2008, but the rise and fall of the world s empires, the Great Depression and every economic calamity of the 20th century. In this stunning documentary Rabbi Cahn unravels the mystery behind this seemingly innocuous Bible verse, and shows that ancient harbingers of judgment are now manifesting in America, just as they once did in Israel.
